

Abderrahmane Mlih

Hi, I'm Abderrahmane Mlih, a passionate Front-End Developer based in Casablanca, Morocco. I specialize in building responsive, user-friendly web applications using modern technologies like HTML, CSS, JavaScript, React, and Tailwind CSS. I completed the ALX Front-End Developer Program, where I mastered web development fundamentals, API integration, and collaborative coding with Git. I also earned certifications in critical thinking, leadership, and communication—skills essential in today's tech landscape. Currently, I'm an intern at OFPPT, expanding into PHP, MySQL, jQuery, OOP, and Python basics—giving me full-stack perspective.
