SUMMARY

Motivated and detail-oriented Front-End Developer with hands-on experience in building responsive and user-friendly web applications using React.js, HTML, CSS, JavaScript, and Tailwind CSS. Completed internships at Baydeck and OFPPT, where I contributed to real-world projects, collaborated with teams, and improved UI/UX functionality. Strong understanding of component-based architecture and API integration. Passionate about clean code, modern design, and continuous learning. Seeking to leverage my technical skills and creativity to contribute to innovative web development projects in a dynamic team environment.
